

Pappas Telecasting Companies' 'donation' of \$325,000 in airtime to Republican candidates in certain areas is yet another example of a powerful media group abusing its privileged access to the public airwaves. From what I have been told they did not offer any air time to the democratic side but said they would have to pay for it. This is not serving the public fairly and I would think is quite illegal and should require some action be taken against Pappas to stop this.

Thank you.
